3. Please describe the order requested in detail.

I would just like to communicate to all parties that I called Legal Aid and through the automated process, it told me to call the Landlord & Tenant Board. That automated process told me to call Legal Aid. So I called Legal Aid again, but this time I indicated I had a mental health issue. So it directed me to an agent. I told her everything I just stated and she directed me to the Community Legal Clinic (CLC) for Simcoe, Haliburton, & Kawartha Lakes, to get a half-hour of legal advice. I left them a voicemail explaining my situation. This is the second time I've done this process and the CLC doesn't return calls I guess. The first time I received a "half-hour" of free legal advice was through the Law Society Referral Service. And their advice was that I pay them \$1,200.

4. What are the reasons for the Request, including any facts relied on and submissions in support of the Request?

It appears I'm supposed to represent myself. Mentally, I don't have the strength to keep doing this by myself and with no money. I'm going to launch a Facebook campaign seeking legal help and if nothing comes of that, then I'll file a response to Barrie Housing near the end of the 20-day allotted time frame to respond.

5. Do the other parties consent to your Request?

Yes No Don't know

6. If you are requesting production of a Document(s), please explain if you have already requested the document and any response you have received. You must attach a copy of your written Request for the Document(s) and the Responding Party's Response, if any.

N/A.

7. If you are relying on any documents in this Request, please list below and attach. You must include all the documents you are relying on.

N/A.

8. Please check off how you wish the tribunal to deal with the matter:

In writing Conference call In person hearing Don't know

9. Explain why you wish the Tribunal to deal with the request in the manner indicated above.

I assume that if the HRTTO Registrar set a hearing date, the HRLSC lawyer wouldn't be able to work on this case anyways. But my requested interim remedy would allow me to hire a lawyer.

10. Do the other parties agree with your choice for how the Tribunal should deal with your Request?

Yes No Don't know
