

I'm sure these agencies will come up with some excuse to not provide the information I've requested, and in that case, the requested information can eventually be made to be available to me, as legislated in the Ontario Human Rights Code, assuming the Human Rights Tribunal of Ontario (HRTTO) assists.

Request Details

On Nov. 21, 2022, an allegation of fraud was made against me and my registered charity, The VanDyck Foundation, which was also running a program called: Fresh Food Weekly.

I am requesting the name of the individual who made the allegation against me and their place of employment if this information is available, and I am requesting that this information be provided to me in digital format and emailed to me at: leah.dyck@icloud.com.

I recently requested my whole file, and so I am not requesting my entire ODSP file again. I am just looking for the name of the person who made the allegation against me in 2022, and who employs them.

Thank you, Leah Dyck

**Section E - Signature and Date**

Name	Signature	Date (yyyy/mm/dd)

I printed this first, and then signed it, and then mailed it.

Hi Leah,

There was an allegation received from somebody disgruntled in the community concerned about a news article stating you collected \$16,000 for your charity. I know about the charity so I'm not very concerned about it but unfortunately I have to follow up on it. Even if it's frivolous. Do you keep separate bank accounts for the Fresh Food Weekly? If so can you send me bank account statements from both your personal account and the one for the charity since the charity was started?

Thanks,  
Ryan

If you could send me from the charity started then I can cover my bases. That'd be great. Thank you! The allegation came in on November 21, 2022.

Hi Leah,

That's not at all what I was thinking. It's great that you've done all this charitable work. If you don't believe me that an "allegation" came through then I'm happy to show you on our system if you want to come in and look. Believe me, I have enough work on my plate. I don't need to actively look for more work. This is coming from someone disgruntled in the community who can't mind their own business unfortunately.

Thanks,  
Ryan

I never asked to come in and see who made this complaint because I didn't suspect Barrie Housing of harassing me. I just thought it was some other jealous person.

Good morning,

I see Ryan spoke to you about this February 2023?

We get information from the Provincial Hotline and they come in anonymously, there is no name or contact information attached to the allegation.

Hi Ashley,

I was just going through my message history with Ryan Broadworth and I was wondering if I could come in and see who made the allegation about me stealing money from my own charity? I've attached a screenshot of Ryan offering this to me back when it first happened.

Thanks Ashley,

Leah

Is Ryan Broadsworth still employed by ODSP? If so, what department is he in so I can call him?

Thanks Ashley,

Leah

Please provide the following identifying information:

- Full Name
- Date of Birth
- Telephone Number
- Current Address
- An explanation of what information you are seeking or requesting to be corrected

<b>Name:</b> Leah Dyck	
<b>Telephone:</b> (705) 718-0062	<b>Date of Birth (M/D/Y):</b> 03/10/1989
<b>Current Address:</b> 507-380 Duckworth St., Barrie, Ont., L4M 6J8	
<b>Nature of Request (please be as detailed as possible):</b>	
At some point in February 2024, a complaint was made against me and it was reported to your agency. My daughter's name is Niah Nicole Blais, and her DOB is: Sept. 5, 2008. I forget the name of one of the gals who made a home visit to me, but this is her email: <a href="mailto:mforget@binnoojiiyag.ca">mforget@binnoojiiyag.ca</a> .	
I am requesting the first and last name of the person who reported me to your agency, and I am requesting that this information be provided to me in digital format and emailed to me at: <a href="mailto:leah.dyck@icloud.com">leah.dyck@icloud.com</a> .	
One of the complaints this person said about me was that I don't take care of my child and that I sleep all day, which is the exact opposite of the truth because I have a sleeping problem and I wake up at 4am every day and I'm constantly working on figuring out ways to get my research study funded.	
If you're not allowed to provide me with the name of the individual who reported me, could you instead confirm with me if it was a County of Simcoe employee, or a Barrie Housing employee?	
Thank you,	
Leah Dyck

*It could have been in January.*

I also emailed my FOI request to Dnaagdawenmag Binnoojiiyag Child & Family Services, since they allow FOI requests to be submitted by email, and I informed the Ontario Ombudsman of this as well.
