

I'm under the impression that I'm not being believed when I make claims about Barrie Housing, probably because the claims I'm making about them are awful, and I sound really intense. And although the screenshots of these emails between myself and Rob is not evidence of what was discussed during our in-person meeting that took place on Apr. 21, 2023, it does show that we did have a meeting and that Rob did sit as a member of my charity's Advisory Committee.

Rob, if you're reading this, I hope you understand why I've published this: we need help and no one wants to do the right thing and speak up for us, and I'm trying to show others that I'm not a liar.

I'm thankful for everything you've done for Fresh Food Weekly, I hope you know that. But thousands of people in Simcoe County are suffering, painfully, and they're dying because no one wants to step up and do the right thing.

Hi Leah!

How are you? I'm excited for our next Committee meeting. Leah while I'd love to help we cannot help you with these. It contravenes our mission and because I'm on your advisory committee it may come across as a conflict of interest.

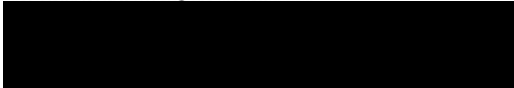

Also if you have a chance, I'd like to meet with you over a lunch if you have some time before our next meeting.

Thanks and keep doing the great work you're doing.

And yes, I would love to meet with you over lunch!

Are you free for lunch this Thursday or Friday?
