3. Please describe the order requested in detail.

I'm requesting that my other HRTO file; #2024-57438 be consolidated or heard together. The more investigating I do myself, the more I realize just how much all parties in both matters had to know about the illegal activities the others were doing but quietly nodded in approval instead of stopping it.

4. What are the reasons for the Request, including any facts relied on and submissions in support of the Request?

I'm only looking at this situation from "the outside" and from my point-of-view, the respondents are just as evil as the Nazis. In my opinion, if the respondents could legally turn their properties into concentration/death camps, they'd do it in a heartbeat. The facts are: I'm only looking at the tip of the ice burg. The facts are: 80 percent of the ice burg hasn't been seen yet. The facts are: Anyone who doesn't work for the respondents in both matters, doesn't know the extent of corruption riddling Simcoe County.

5. Do the other parties consent to your Request?

Yes No Don't know

6. If you are requesting production of a Document(s), please explain if you have already requested the document and any response you have received. You must attach a copy of your written Request for the Document(s) and the Responding Party's Response, if any.

It's a waste of time to ask the respondents in both matters to produce something.

7. If you are relying on any documents in this Request, please list below and attach. You must include all the documents you are relying on.

I'd like to submit a Facebook post I posted yesterday, on Sept. 14, 2024, titled; 'Sept. 14th Post.pdf'.

- In writing Conference call In person hearing Don't know

9. Explain why you wish the Tribunal to deal with the request in the manner indicated above.

Whatever the Tribunal decides works for me.

10. Do the other parties agree with your choice for how the Tribunal should deal with your Request?
